Who We Serve

Energy Workers Medical Services (EWMS) provides top of the line medical supplies to those who qualify under the Workers' Compensation plan. Those who have devoted their time and health to the DOL in mining and hauling uranium.

We provide this medical equipment at no cost to you. Our knowledgeable staff is eager to help you get the medical equipment you need as soon as possible.

What is Prior Authorization?

Some items require approval from the Department of Labor (DOL) before they can be sent to you. **We partner with your doctor to gather the necessary documentation, and then we submit it to the DOL on your behalf.** The process timeline varies depending on how soon your doctor provides us documentation and how long the DOL takes to review it. Once approved, we'll promptly send your requested item!

**Let us know what items you're interested in
and we will take care of the rest!**

Call our office to get started!

An ADA Ramp installed on the outside of a house is primarily for providing accessibility to individuals with mobility impairments or disabilities. The ramp serves as a safe, functional means of entry and exit for those who may have difficulty navigating stairs due to physical conditions, such as wheelchair users, people with walkers or canes, individuals with limited mobility, or individuals recovering from surgery or injury.

If the requested ramp will be built onto or into the home, will be made out of wood, or requires the expertise of a general contractor it will be considered a "Home Modification." For those requests please call EWMS at 801.841.4490 and ask to speak to our home modification specialist.

Aluminum ramps typically do not permanently modify the home and can be requested as a prior authorization item.

BILL OF RIGHTS

EWMS PATIENT'S BILL OF RIGHTS/RESPONSIBILITIES

Patients have a right to be notified in writing of their rights and obligations before treatment begins and to exercise those rights. The patient's family or guardian may exercise the patient's rights when the patient is incapacitated. DME providers have an obligation to protect and promote the patient's rights, including the following:

Patients have a Right to Dignity and Respect

Patients of Energy Workers Medical Services (EWMS) and have a right to not be discriminated against based on race, color, religion, national origin, age, sex, sexual preference or handicap. Furthermore, patients have a right to mutual respect and dignity, including respect for property. EWMS staff is prohibited from accepting personal gifts and borrowing money or items from patients.

Patients have the right:

- To have your cultural, psychosocial, spiritual and personal values, beliefs and preferences respected.
- To have complaints investigated made by the patient, patient's family or guardian regarding treatment or care that is (or fails to be) furnished, or regarding the lack of respect for patient's property by anyone furnishing services on behalf of the Agency. You will not be subject to discrimination for doing so. Agency must document both the existence of the complaint and the resolution of the complaint.
- To have your property treated with respect.
- To be informed of the procedure you can follow to lodge complaints with the Agency about the care that is, or fails to be, furnished, and regarding a lack of respect for property. To lodge complaints, call us at 800-999-5450.
- To know about the disposition of such complaints.
- To voice their grievances without fear of discrimination or reprisal for having done so.
- To personal dignity.
- To effective communication.
- To be free from mental, physical, sexual, seclusion and verbal abuse, neglect, coercion, manipulation, restraint, and exploitation.
- To refuse to participate in investigational, experimental, research or clinical trials.
- To be advised in advance of the right to participate in planning care or treatment and in planning changes in care before the change is made.
- To receive care without condition on, or discrimination based on, the execution of advance directives.
- To refuse care without fear of reprisal or discrimination and in accordance with law and regulation. If you are not legally responsible, your surrogate decision maker may refuse care on your behalf as permitted by law.
- To exercise his/her rights as a patient of the Agency.
- The patient's family or guardian may exercise the patient's rights when the patient has been judged incompetent.

BILL OF RIGHTS

- To confidentiality of your medical record as well as information about their health, social and financial circumstances and about what takes place in the home.
- To expect the Agency to release information only as required by law or authorized by the patient and to be informed of procedures for disclosure.
- Policies and Procedures Manual for EWMS, LLC
- To access, request an amendment to and receive an accounting of disclosures regarding your own health information as permitted under applicable law.
- To be admitted by the Agency only if it has the resources needed to provide the care safely and at the required level of intensity, as determined by a professional assessment.

Patient/Agency Responsibility:

- Notify the Agency of any perceived risks in your care or unexpected changes in your condition, e.g., hospitalization, changes in the plan of care, symptoms to be reported, etc.
- Notify the Agency of the existence of, and any changes made to, advance directives.
- Notify the Agency of any problems or dissatisfactions with the services provided.
- Provide a safe environment for care.
- Follow instructions and express any concerns you have about your ability to follow and comply with proposed plan or course of treatment. The Agency will make every effort to adapt the plan to your specific needs and limitations. If such changes are not recommended, the Agency will inform you of the consequences of care alternatives.
- Provide accurate and complete information about present complaints, past illnesses, hospitalizations, medications and other matters related to the patient's health.
- Ask questions about care or services when you do not understand your care or what you are expected to do.
- Provide feedback about service needs or expectations.
- Show respect and consideration for Agency's personnel and property.
- Understand and accept consequences for the outcomes if the care and services or treatment plans are not followed.

Patients Financial Responsibility:

- The DOL DEEOIC Workers Compensation program will cover all costs associated with the medical equipment and supplies needed for a patients accepted Workers Compensation diagnosis codes.
- Should the patient choose an item that is not covered by the DOL DEEOIC Fee Schedule or an item that costs more than the DOL DEEOIC Fee Schedule, then the patient will be responsible for the price difference 100%.

Filing a Complaint:

- Should the patient want to file a complaint, he / she can call EWMS at 800-999-5450.
- If you have concerns or complaints about the quality of care or services received, you may contact your state health department. Contact information can be found on your state's official government website or by searching for the health department in your state.
